New and Standard Varieties of Dahlias
from
Doty Dahlia Gardens, Blasdell, Erie Co., N. Y.

Dear Patrons:

It gives me pleasure to submit a number of new dahlias possessing merit. To obtain conciseness superlatives have been avoided they are inadequate; words fail in describing their beauty, I truly feel they will not disappoint. Stock is quite limited in a number of cases hence an early order is advisable. Will accept a reasonable responsibility. With a feeling of sincere fellowship to you all, it is my desire to serve you faithfully and carefully.

Sincerely,
A. C. Doty.
